the Alto, they offered it on a longer chassis as a sedan and as a van. By 1984 Suzuki was introducing the second generation of Alto to consumers. This time they added turbocharged, multi valve engines to the cars. Eventually Suzuki added a 5 door hatchback Alto to the lineup. The next facelift would come in 1986.

Now. Compared to the Swift, the Suzuki Alto has been around much longer, with the 1st generation having been in the market from 1979 to 1984 until its current 8th generation (2014 to present). In Japan, the Alto is categorized as a 'kei car' (a small personal car) and it therefore looks more like this style of car than the Swift.
