2020 Polaris RANGER 1000 UTV | Polaris

The Slingshot is manufactured by Polaris Industries, in the United States (Alabama), which claims that "It's a three-wheeled motorcycle!" It has a tilt-adjustable steering wheel, side-by-side bucket seats, and does not lean. It has no roof, doors, or side windows and the whole interior is waterproof so it can be hosed down and drained out using drain holes in the floor.

2013 Polaris RZR® 800 Reviews, Prices, and Specs

Rated 5 out of 5 by Older couple from Great Trail Machine Owned a RZR 800 for 7 years before. For us the 570 is superior: better turning radius, excellent maneuverability, smoother ride, quieter, no discernible power deficiency. For me the power steering and the engine braking is also a real plus, although engine braking downhill in very steep. very rough, terrain is not so great - but it is ...
