Ernest Hemingway's "Hills Like White Elephants" tells the story of a man and woman drinking beer and anise liqueur while they wait at a train station in Spain. The man is attempting to convince the woman to get an abortion, but the woman is ambivalent about it. The story's tension comes from

their terse, barbed dialogue.

Such tools identified outliers that could potentially warrant audit attention.

Understanding Analysis (□□)

Understanding Comics is a pretty clever book, using the medium of comics to talk seriously about comics -- which is very likely to be dismissed by those who either insist comics should all be fun (and therefore if they're not interested in this, it's no good) or all comics are fun (and therefore

have no serious value).

5 Essential Principles for Understanding Analytics

This book outlines an elementary, one-semester course which exposes students to both the process of rigor, and the rewards inherent in taking an axiomatic approach to the study of functions of a real variable. The aim of a course in real analysis should be to challenge and improve mathematical intuition rather than to verify it. The philosophy of this book is to focus attention on questions ...
